Description: The Peridot is a two-story Great Room Floor Plan with the Master Down. This popular Great Room concept will allow the homeowner the opportunity to be in one "great" space while still being able to entertain, cook, dine, or relax with one another. The Master Bedroom is in the rear of the home with a Roman tub, separate shower, and dual sinks. Per Harmony standards, an alley provides access to the 2-car garage in the rear of the home.
